### VHET

High pressure sump pumps as barrel pumps

#### Performance data

Q max. 500 m<sup>3</sup>/h  
H max. 400 m

#### Ranges of application

For the use in condensate systems in power generation plants, in marine construction, chemical and petrochemical industry

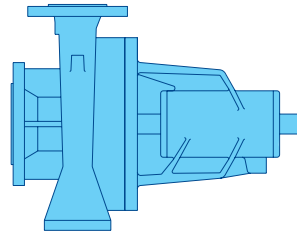

up to + 140 °C

#### Construction

Vertical multistage high pressure centrifugal pump, immersed into a barrel (barrel pump). Also available acc. to API 610

#### Materials

Cast iron  
Nodular cast iron  
Cast steel  
Cast stainless steel

### SKT

Volute casing centrifugal pumps non-selfpriming

#### Performance data

Q max. 3500 m<sup>3</sup>/h  
H max. 105 m

#### Ranges of application

For clean water, sea water, brines and alkaline liquids in water supplying, dust extracting and spray-coating plants, in cooling and revolving circulations

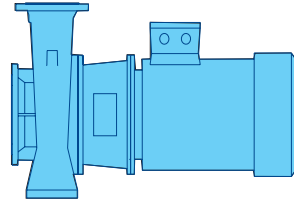

up to + 140 °C

#### Construction

Horizontal singlestage volute casing centrifugal pump with bearing housing or seats. Capacity rating acc. to EN 733 with supplementary sizes

#### Materials

Cast iron  
Bronze  
Nodular cast iron  
Cast steel  
Cast stainless steel

### SKB

Volute casing centrifugal pumps non-selfpriming

#### Performance data

Q max. 450 m<sup>3</sup>/h  
H max. 105 m

#### Ranges of application

For clean water, sea water, brines and alkaline liquids in water supplying, dust extracting and spray-coating plants, in cooling and revolving circulations

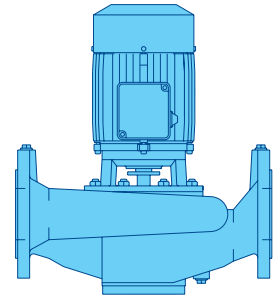

up to + 140 °C

#### Construction

Horizontal singlestage volute casing centrifugal pump in block design. Capacity rating acc. to EN 733

#### Materials

Cast iron  
Bronze  
Cast steel  
Cast stainless steel

### SKI

Volute casing centrifugal pumps non-selfpriming

#### Performance data

Q max. 800 m<sup>3</sup>/h  
H max. 105 m

#### Ranges of application

For clean water, sea water, brines and alkaline liquids in water supplying, dust extracting and spray-coating plants, in cooling and revolving circulations

up to + 140 °C

#### Construction

Horizontal or vertical singlestage volute casing centrifugal pump in inline design

#### Materials

Cast iron  
Bronze  
Nodular cast iron  
Cast steel  
Cast stainless steel
