

## SKST

**Centrifugal pumps with bearing bracket**  
selfpriming

### Performance data

Q max. 680 m<sup>3</sup>/h  
H max. 59 m

### Ranges of application

For the transport of clean or with solids contaminated as well as abrasive liquids, for the industry, environmental protection, the construction industry and civil defense

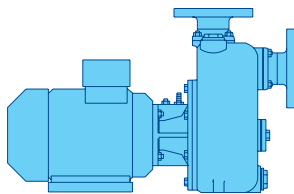

up to + 70 °C

### Construction

Singlestage horizontal centrifugal pump with open impeller, safe to run dry

### Materials

Cast iron  
Stainless steel

## SKSB

**Centrifugal pumps in block design**  
selfpriming

### Performance data

Q max. 340 m<sup>3</sup>/h  
H max. 59 m

### Ranges of application

For the transport of clean or with solids contaminated as well as abrasive liquids, for the industry, environmental protection, the construction industry and civil defense

up to + 70 °C

### Construction

Singlestage centrifugal pump with open impeller in block design, safe to run dry. Also driven by petrol or diesel engine

### Materials

Cast iron  
Stainless steel
